They're

tragic...

What  
about  
Johnny's  
fortune?

Of course,  
his wife,  
Erma, will  
inherit  
it all

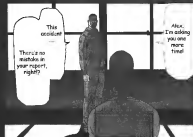

That area is currently  
still within the area  
of the enemy's  
territory, so we can't  
send down search  
teams...

Well... It's  
a search and  
rescue in  
name only...  
We're only  
hovering above  
the area,  
scanning it  
twice, three  
times at  
the most...

Damn...  
I hate this  
rain!

This  
assistant...

There's no  
mistake in  
your report,  
right?

Alex,  
I'm asking  
you one  
more  
time!

Did not realize that Johnny had fallen out for a while...

I...

The resulting explosion, must have sent a shrapnel that cut the wires stabilizing him...

And he dropped along with the Wanzel, 140 meters down into the jungle...

In order to... Cut off the damaged Wanzel, Johnny went out on the deck with a hand held missile launcher...

Alex...

To lose him...

It such a meaningful accident like this...

Johnny was a class mate...

And my friend...
